

UDC 20th Annual Family Raft Trip

Sunday, August 3, 2008

Join the Upper Delaware Council for an exciting and scenic 8-mile raft trip on the Upper Delaware Scenic and Recreational River from **Minisink Ford, NY to Pond Eddy, NY**. Lander's River Trips will provide the rafts, paddles, life jackets, safety instructions, and shuttle transportation. Minimum occupancy per raft is four people. Parties of less than four will be matched at the UDC's discretion. Participants should be in good physical condition. Children must be at least five years old, 40 lbs., and able to swim. Kids 12 and under are required by law to wear life jackets at all times. Securely-fastened life jackets are strongly advised for *all* boaters and swimmers.

Pack a picnic lunch and plenty of drinking water (no glass containers allowed). Dress to get wet, wear sunscreen and foot protection, and avoid bringing valuables. Small coolers and waterproof bags for items such as cameras and keys may be tied into the raft. This average trip length is 4 hours, though the timing varies according to river level, wind, and each group's desired pace.
