## UDC Grant Applications Due July 13

NARROWSBURG – The Upper Delaware Council (UDC) reminds its member municipalities that applications for the next round of Technical Assistance Grants (TAG) must be postmarked or delivered by 4:30 p.m. on Tuesday, July 13.

A special meeting of the UDC's Project Review Committee will be convened on August 10 at 6:30 p.m. at the Council's office in Narrowsburg to review proposals with the applicants' designated representatives.

Announcement of grant awards is expected at the October 7 monthly UDC meeting.

Mid-term progress reports by successful grantees will be due by February 28, 2011. The deadline for municipalities to complete their projects and submit their documentation for reimbursement will be July 25, 2011.

Since the non-profit organization's inception in 1988, the UDC has awarded \$656,392 to help subsidize 188 non-construction projects that address the goals of the River Management Plan for the Upper Delaware Scenic and Recreational River.

Application forms, grant criteria, contract guidelines, and a directory of past projects are posted on the UDC's website at [www.upperdelawarecouncil.org](http://www.upperdelawarecouncil.org).
