UDC RAFT TRIP: Although the Upper Delaware Council's 21st Annual Family Raft Trip featured less than ideal weather conditions on August 2nd, 64 public participants enthusiastically persevered on the eight-mile paddle between Ten Mile River Access to Barryville. Among them was a group of 15 relatives and friends from the Gerritsen, Cramer, and Drelich families of New Jersey, who gathered under a rainy morning sky at Kittatinny Canoes' Luke's Landing base. River levels were at approximately 6.7 feet due to recent storm activity. The UDC organizes the raft trip on the first Sunday of every August to promote stewardship of the Upper Delaware Scenic and Recreational River.
